PRESIDENT'S MESSAGE

To our valued sponsor,

2022 is set to be a momentous occasion in our 98th year with the funding of 2.2 million dollars for the redevelopment of Anakie's social rooms. This, the final stage of the 40 year fight to upgrade our facilities will bring us inline with all other clubs within our league.

Our sponsor family was one of the reasons we achieved this upgrade by enabling club stability and we in turn insured your investment created the healthy community hub we are all proud to call our own.

Projected members for 2022 are also expected to be the highest in the past decade fielding all age groups both Netball & Football.

We look forward to a succesful partnership in 2022, Go Roos !

Heath Menhennet
President
